month
9:00 am to 1:00 pm

Society FRW

Monthly Board Meeting
2nd Wednesday
of each month
6:00 pm
Heslin House

.....

Balboa Art Conservation Center *To Survey the Zimmerman Heritage Farmhouse*

FRW applied for, and was selected to receive a survey offered by the Balboa Art Conservation Center and subsidized by a grant from The National Endowment for the Humanities. The Western Region Field Service Office of the Balboa Art Conservation Center will conduct a general conservation/preservation assessment of the collections of the Zimmerman Heritage Farmhouse April 5-6.

The survey will review building structure (as it pertains to the care of the collections), storage, display, general handling procedures, and collections management issues including security and disaster preparedness.

The survey report is designed to help our institution with the objective of preparing a long-range plan to care for the resources of the Zimmerman Heritage Farmhouse. To this end, the report will include a recommendation section that will prioritize implementation recommendations into schedule of short-, intermediate-, or long-range actions.

We look forward to working with the BACC on this important project to help us guide collection stewardship of the significant collections of the Zimmerman Heritage Farmhouse.

Heslin House Garage Breaks Ground

Site preparedness is under way for the new Heslin house garage/storage-unit/museum extension building etc...

Fanfare and hoopla have been minimal, but the excitement and anticipation is shared by all of us here at the Fairview-Rockwood-Wilkes Historical Society.

When complete, we'll all get together to celebrate the accomplishments of the Heslin House and the completion of the garage.

So, stay tuned.
